MEMBERS OF THE MAYSVILLE BAND ARE MADE KNOWN

Boys Are Anxious to Become Members
of New Band—Only a Few More
Needed to Assure Success of
Undertaking.

The Maysville Boys' Band is now an assured fact. Only a few boys are necessary to complete the organization which promises to be one of the best musical aggregations ever gathered together in Maysville. Up to the present time many youngsters have become members and have already ordered their instruments ready to begin practice in a very short time.

Prof. Young, director of the new band, announces the following boys already in the organization:

Alto clarinet—Roger Caplinger.
Cornets — Allan Wood, Eugene Royse, Edwin Triebel, Barbour Russell, Harry Jolly, Clifton Simpson, Thomas Stevenson, and Fred McCarthy.

Clarinet — John Burwell, Blair Houston, Sudduth Calhoun, William Ellis, Charlton Roger Key, Robert Peters, Addison Everett and Harold Beighle.

Alto—Dobyns Calhoun, Charles Newell, Harry Davis, Ellis Crawford, William Slack and Francis McCarthy. Trombones—Jacob Redding, Robert Triebel, Leslie McDowell, and Henry Knowlton Key.

Saxophone — Gordon Childs, Sudduth Royse, J. B. Glascock, and Herman Clark.

Baritone—John Stevenson.
Tenor drums—Kenneth Simpson, Charles Spencer, William Myall and William Traxel, Jr.

Base drum—Leslie Walker.
Symbals—Church Matthews.
Piccolo—John A. Reed and Richard Orr.

DRAFT BOARD WINDING UP GREAT BIG TASK

Mason County Exemption Board
Makes Complete Reports of Their
Work and Holds Historic
Records.

The Mason County Exemption Board despite the fact that the armistice has been signed and demobilization is in progress over the nation has been one of the busiest bodies of men in Mason county for the past several weeks.

Besides totaling and winding up their work of several months, they have been called on by officials to make out complete reports of their work during the draft period and this has certainly been a man's sized job which has kept them busy at names and figures for some time.

The board has now practically completed this work but it does not look like their period of work is over yet for every few days it is announced from Frankfort that the state department has some new task for the Exemption Board to perform. It has been expressed as the opinion of high military officials that the local draft boards will not be mustered out until after peace has been declared and the drafted men have all been returned to their homes.

PAY DAY FOR COUNTY TEACHERS

Today was pay day for the county teachers and they were here to receive their monthly checks. Despite the fact that in some parts of the state the teachers have been slow in receiving their pay checks, the Mason County Board of Education through good management has been able to have the money ready for the teachers here.

PEOPLE'S WAREHOUSE READY

In another column of this issue there appears for the first time the advertisement of the Peoples Tobacco Warehouse, one of the most popular warehouses on the Maysville market. The Peoples will again this year be under the same management which has made it so popular with the farmers from the beginning and now announces ready to care for the farmers and their crops.

Mr. Jack Hawthorne, formerly of this city, who has been ill at his home in Cincinnati with influenza is reported as improving. His little daughter now has the disease.

PARIS EXTENDS HEARTY WELCOME TO PRES. WILSON

Guns of Forts Tell of Arrival of Train
—French Capital Filled With
Civilians and Soldiers.

Paris, December 14—At 10 o'clock this morning the booming guns of Ft. Mont Valerian, on the outskirts of Paris, announced that President Wilson's train was traversing the suburbs. As the roar of the first gun reverberated across the city the thundering of cannon continued at one-minute intervals until a salute of 101 guns had been completed.

The weather was fine, and as the Presidential train rolled into the Bois de Boulogne station a flock of airplanes hovered in the sky, adding their thrills to the memorable demonstration. A vast crowd had gathered in the streets leading to the railway station long before the hour due for the train to arrive, and as the train slowly steamed into its stopping place billows of cheers ran up and down the thoroughfares. The whole city was decked out with flags and it seemed that almost every person in the throng wore the Stars and Stripes.

The locomotive which had pulled the Presidential train from Brest was decorated with American and French colors. The engineer was a French soldier—demobilized engine driver before the war, and he wore the horizon blue of a poilu. In the lapel of his blouse was a small button bearing the United States flag.

A distinguished throng greeted the Presidential party at the station. Included in this party were President Poincare, Premier Clemenceau and a distinguished galaxy of administrators, ministers and army and navy officers. President Poincare and numerous others were accompanied by their wives. A single piece of red plush carpet had been stretched from the station platform upstairs through the main waiting room and across the pavement to the spot where the carriage awaited.

The thundering cheers of the crowd in the street outside echoed and billowed about the station. The plaza was jammed with people, who waved flags and handkerchiefs and mingled their shouts with cries of "Long live President Wilson" and "Welcome to the messenger of peace."

The fashionable restaurants had opened earlier than usual to accommodate the throng, but many persons had carried bread, jam and wine to the station with them, and as they stood in line waiting for the train they munched at their breakfast and speculated upon the weather and time that the train would get in.

The entire course leading from the station was lined on both sides with French soldiers and khaki clad colonials from the army of General Gouraud. As President and Mrs. Wilson and the distinguished party that accompanied them left the station the soldiers stood at attention.

SCHOOLS CLOSE SECOND SUCCESSFUL WEEK

The Maysville public schools Friday closed another very successful week since the long period of vacation made necessary by the Board of Health's influenza quarantine. The school officials report that the second week was quite successful and that now the students are again down at hard work in an endeavor to make up some of the time lost during the epidemic period.

WILL NOT NAME NEW STREET UNTIL NEXT YEAR

The Public Buildings committee of City Council which has been given power to act in the matter of changing the name of Lower street which has been recently improved, announce that they will not make a change in the name of the street until after the next regular meeting of the City Council on the first Monday in January.

RURAL CARRIER'S FATHER DIES

Mr. James Perkins, father of Mr. Clarence Perkins, popular rural route carrier on route three, died at the home of a relative in the county. Mr. Perkins, whose home is in Maysville, had started for his farm in Fleming county to kill hogs when he was taken ill on the road and went to the home of his relative. After about a week's illness the end came.

YOUNG WIFE DIES SUDDENLY IN A SOUTHERN HOSPITAL

Sergeant Wadsworth Cole, Here On
Business Is Advised by Wire of
Death of His Wife in
Birmingham.

Sergeant Wadsworth Cole, of Hattiesburg, Miss., called here yesterday by important business, received a telegram this morning announcing the death of his wife in a Birmingham, Ala., hospital at a late hour last night.

Mrs. Cole had just undergone a serious operation a few days ago but was thought to be improving nicely. Physicians informed Sergeant Cole that his wife was doing nicely and would be practically well in a week and advised him that he would be safe in making the hurried business trip to Maysville.

Mr. and Mrs. Cole had been married about a year and during this time Sergeant Cole has been in the service of the U. S. Army but his wife has been with him at Hattiesburg, Miss. When she became ill she was removed to the home of her parents in Birmingham, Ala.

Besides her husband, Mrs. Cole is survived by a week-old child.

Maysville friends extend sympathy to Mr. Cole, who hurried back to Birmingham today, in this very sad bereavement.

JACK McHUGH DIES AT MANCHESTER, OHIO

Jack McHugh, a former resident of the county, died at his home in Manchester, Ohio, Friday. The remains will be brought here and burial will be made in the Catholic cemetery at Washington. He is survived by his father, Mr. Patrick McHugh, one sister, Mrs. William Kubel and one brother, Mr. Frank McHugh, all of the county.

COURT OPENS MONDAY

The December term of the Mason Circuit Court will open on next Monday and will go through with the regular routine of business. Only two criminal cases of any importance are scheduled. The George Wood Owens case and the case which grows out of alleged attack upon the girl on the excursion steamer Homer Smith.

BIG CHRISTMAS BUSINESS IS ENJOYED TODAY

Despite the bad weather all of the local merchants have enjoyed a fine Christmas business. They are all very much pleased with their business up to the present time and all are planning for a great big week next week. Folks in this section are shopping earlier this year than they have in many seasons.

DOWNING-HUGHES

Joseph E. Hughes, aged 39, and Louanna Downing, aged 31, both of Russellville, Ohio, procured marriage license here this afternoon and will be married this evening.

W. C. T. U. MEETS MONDAY

There will be a meeting of the W. C. T. U. Monday afternoon at 2 o'clock in the reading room of the Public Library. Business of importance to be attended to.

WOUNDED YANKS PASS HERE ON WAY TO HOSPITALS

Ten Car Loads of Wounded American
Soldiers Returning From France
Pass West on Special
C. & O. Train.

Shortly after noon today a special train over the C. & O. carrying ten car loads of wounded American soldiers passed through Maysville en route from the coast where the men had recently arrived from France, to army hospitals where they will receive more medical attention. Accompanying the men was a guard of soldiers and a number of army physicians and nurses.

At the local depot there were several people gathered to meet the train which was thought to be an ordinary troop train until it arrived. Aboard the train were heroes of many battles, some with arms missing, others with legs missing and still another car of those whose eyes were staring into space apparently knowing nothing about what was going on. These latter were suffering from shell shock.

The destination of the wounded was not announced here but those who happened to be at the depot and saw the heroes who had given so much for us, who remained at home, and saw the treatment of the great American Red Cross will be among the first to join when the roll is called Monday. Had all of our Mason county citizens been where they could have seen that train of wounded there would have been no trouble about securing a universal membership.

STOCKMEN PLAN WISCONSIN TRIP

A very interesting meeting of the cattle breeders of the county was held in the office of the County Agent today at which plans for a trip to Wisconsin to purchase pure bred cattle were made. It is understood that a number of fine cattle will be returned to head the Mason county herds for next year. County Agent Kirk and a representative of the State College of Agriculture will accompany a number of Mason county breeders on their trip.

BOB FUGATE PAROLED FROM STATE PRISON

Man Sent to State Penitentiary For
From Five to Twenty-Five Years
Is Given Freedom by
Parole Board.

Among the number of paroles granted yesterday by the Kentucky Prison Commission was that of Robert Fugate, of this county, who had been serving a term of from five to twenty-five years in the institution. Fugate had been a prisoner at Frankfort for about six years.

It will be remembered that the crime of which he was convicted caused considerable excitement in the Eastern section of Mason county. The formal charge against him was attempted assault and it was charged that he made an attempt at criminal assault upon a young girl of the Springdale neighborhood.

Among the number of prisoners paroled with Fugate was Jim John Able, of Lebanon, who had served ten years of a life term on a charge of murder.

WORLD RELIEF PLANS TO BE CARRIED OUT

Despite Interference of Influenza
Exercises Intended for the Week
Be Carried Out.

Louisville, December 14—Spanish influenza played havoc with plans for World Relief Week in Kentucky, but will not be permitted to prevent the carrying out of the week eventually, according to announcement made by the Food Administration yesterday. The exercises intended for the week eventually, even if ninety days be eventually, even if ninety days be required for the accomplishment.

Reports for the week, which was observed all over the United States, are not yet all in, but they give sufficient data upon which to base the statement that World Relief Week was not fully observed in more than a score of Kentucky counties. In at least 100 counties the food forces were prevented either by law or good judgment from arranging gatherings of any kind.

In most counties where meetings were held, attendance was not gratifying. Practically all speaking engagements in the State were cancelled. Federal Food Administrator Fred M. Sackett, State Conservation Chairman Mrs. Morris Gifford and State Director T. R. Moss filled only one speaking engagement each, although they were scheduled for a solid week's campaigning.

Plans for the week had been made by Mrs. Gifford, Miss Alexine Booth, head of the Schools and College Section, and Fred W. Hardwick, chairman of the Religious and Fraternal Department. These three have instructed their forces to keep on at work until World Relief Week is observed in every county in the State irrespective of the time.

OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

DEPARTMENT OF COMMERCE GIVEN NEW DUTIES

The Secretary of Commerce authorizes the following statement:
 Two of the important organizations in the War Industries Board are, by direction of the President, to be turned over to the Department of Commerce. These are the Resources and Conversion Section, the activities of which will be continued only temporarily, and the Conservation Division, which will be incorporated permanently in the Department of Commerce.
 The Conservation Division of the War Industries Board was at first known as the Commercial Economy Board, and its function has been "the studious conservation of resources and facilities by scientific commercial and industrial economies." The material gathered and the staff developed will enable the Department of Commerce to carry on the work of eliminating waste and promoting precision in business which it has long had in mind.

TOBACCO BELT ENRICHED

Louisville, Ky., December 13—Kentucky farmers who produce about 30 per cent. of the country's tobacco, have experienced unprecedented prosperity since 1915 and this autumn were able to get nearly three times the price with which they would have been content at the beginning of the war.
 Eighty per cent. of the 250,000,000 pounds of burley tobacco used annually in the United States comes from Kentucky. In 1914 prices for all qualities of leaf, hogs were 15 cents a lb. while the price for the heavy, dark export type of tobacco grown in the "black patch" of western Kentucky claimed from 6 to 16 cents.
 When the war began tobacco production in European countries was virtually halted and there was a tremendous drain on the big stocks of American tobacco in Europe and war houses. It was the demand made upon these reserve stocks that sent prices upward, rather than the overseas shipments, which were in reality smaller than those in times of peace, dealers say.

MORAL CONDITIONS IN GERMANY BAD

Berlin, December 14—(Delayed)—Thousands of women are facing starvation thru the loss of their war jobs, are adding to the perils of Bolshevism in Germany.
 The women munition workers, who are rapidly being demobilized, are unable to find employment, as practically all factories are idle through lack of raw materials. Added to their ranks are other thousands who have been engaged in similar occupations. Some have obtained employment on farms, but the great majority face a serious situation.
 The spartacus group has seized the opportunity to augment their ranks with these women, hoping not only to obtain their political support but to influence other men through them. Twenty-one million women are said to be eligible to vote for republics in national assembly. It was estimated today that there are more than 200,000 illegitimate children in Germany as a result of war conditions.

Sees Fifth Loan As Test of Our Peace Gratitude

D. C. Wills.

WHAT is peace worth to you? That, in the mind of D. C. Wills, chairman of the Central Liberty Loan Committee for the Fourth Federal Reserve District, is the question which Uncle Sam will be asking the nation next April when he announces the terms of the Fifth Liberty Loan. In a recent interview in Cleveland Wills expressed the thought that the total subscriptions to the Fifth Loan would be one measure of the sincerity of the thousands and thousands of persons who could be heard before the signing of the armistice protesting loudly their willingness to give everything they had for a speedy and victorious peace.
 "And I believe that there was sincerity behind these protestations," Wills continued. "My belief in my neighbor and my fellow-countrymen is so strong that I feel certain the Fifth Loan will be subscribed, whatever its amount."
 "Those of us who stayed at home are of the same caliber as those boys who went overseas and kept the Hun on the run till armistice day. The tenacity, the aggressiveness, the squareness, the fidelity to duty which made the American soldier the talk of the world are all characteristics, as well, of the home folk. They are ingredients of Americanism and will play their part in the meeting of obligations of the war and the after-war period just as they did on the battlefields.
 "The terms of the Fifth Loan have not yet been decided. The amount is not yet known. But I think I know the answer of America when the government says to us next spring: 'Here is your peace; here is your victory. What is it worth to you?'"

A Keen Eye, Mr. Bly

Says the far-seeing Icabod Bly: "Two dollars a week I'll put by; And then in the Spring With the birdies I'll sing: 'Cheap, cheap,' to the bond that I buy."

It is just as well to trace trouble to its source. If Adam hadn't liked apples what a different sort of world this would be.

SECRETARY LANE WANTS EARLY ACTION

Washington, Dec. 14 — A request for immediate action by congress on Secretary Lane's plan for reclamation of arid swamp and cut over land, including an appropriation of not less than \$50,000,000 will be presented soon it was intimated at the department of the interior.

Lane proposes to put as many soldiers as may desire to go into the work on the job at \$4 per day for each common laborer.

When the land is cleared and made ready for habitation and cultivation it is to be made available for settlement by the soldiers and they are to be paid for the farm plots. Payments to cover a period of forty years or thereabouts. Lane also plans government aid in permitting the soldier-farmer to obtain modern farm machinery, housing and the necessary farm livestock and poultry.

CHRISTMAS BUSINESS IS QUITE LIVELY

CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadowville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before. I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape."

"I cannot say too much for Black-Draught for it is the finest laxative one can use." Thedford's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it. NC-135

"We joined—have you?"

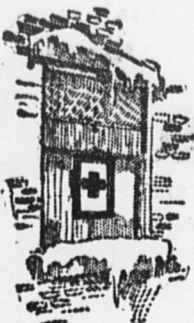

When you have that button pinned on your coat, you can look the whole world in the face—and feel proud.

It means you have answered "present" to the Red Cross Christmas Roll Call for 1919. It means that you have placed your personal stamp of approval on the work of the Greatest Mother in the World and that you have given her the moral support of your membership.

Red Cross work must go on!

As long as Americans are under arms across the sea, as long as the results of war, pestilence and famine afflict the world, the need for the Red Cross will exist.

America has never failed in doing its full duty—that duty now is universal membership in the Red Cross.

MEN LAUD SERVICE OF THE RED CROSS AT FIGHTING FRONT

Some Experiences By Officers and Men at the Front of Their Appreciation of the Red Cross Service.

With the American Army in France—An idea of the spirit that prevades Uncle Sam's fighting men in France is better obtainable nowhere than from the pages of a small dog-eared book which is the proud possession of an American Red Cross serving the emergency and comfort needs of a certain well known division, which has been hard fighting recently.

The little book was placed upon the counter of a Red Cross outpost near the lines, and was adopted by the men calling for tobacco, cigarettes, chocolate, comfort bags and other Red Cross material as a register. It contains the signatures of men from almost every state and territory in the Union and from all ranks of the army, generals down to back privates. Many of the registrants took occasion to write remarks and a glance through these vividly shows the spirit of the Expeditionary Forces.

Most noticeable, of course, are the expressions of appreciation for the comfort sent by the people at home and distributed by the Red Cross. Surely what these Americans, suffering untold hardship and dangers, have written in this little book ought to

stir the hearts and energies, the war efforts of every true American who cannot share the soldiers' burdens overseas.

Private M. B. Roscoe, a machine gunner from New York city, wrote this message:

"May God bless and keep every Red Cross member."

Officers and men alike snare in the authorship of this little book, their signatures and remarks combining to make it an interesting document as reflecting the spirit that exists in the American army in France.

Unostentatiously written between the names of two privates is found the signature of Major-General R. L. Bullard, with this simple sentence:

"In grateful appreciation for what you do for my men."

On the same page are the names of Brigadier-General J. H. Hines, of Cincinnati, O.; Colonel A. N. Stark, chief division surgeon, and Colonel C. A. Babcock, cavalry officer.

A few of the other interesting remarks and signatures follow:

Lieutenant George W. Phelan, of Weehawken, N. J.:

"Work of the Red Cross has been carried into the front line trenches, and is admired and appreciated by all."

Chaplain Robert Williams, of Wilkesbarre, Pa.:

"Hospitality beyond all praise. God bless 'em."

Corporal Ralph Webb, of Brewster, O.: "Very grateful for what the Red Cross has done for us."

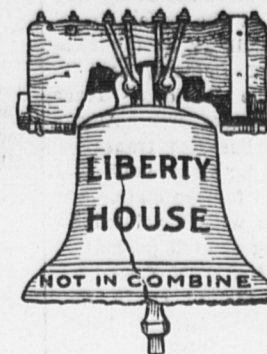

In these and the scores of other remarks contained in the book can be seen the true character of the American fighting men. All are extremely grateful for just a few of the ordinary comforts of life. They do not take this Red Cross service as their due from the people back home, for whom they are facing hardship and death, but as men accepting thankfully the gifts of good friends.

There is only one conclusion to draw from this attitude, and that is that these men, bearing the brunt of America's war effort, are conscious only of a sense of duty to themselves and their country. They find sufficient reward in doing their job well.

BAND DIRECTOR IS HIGHLY PRAISED

Georgetown Paper Says Prof. Young Stands High in Musical Circles.

The following is from this week's issue of the Georgetown (O.) News-Democrat:

Prof. John W. Young and wife are moving from Connersville, Ind., to Maysville, Ky., where they will immediately make organization of a boys' band. Mr. Young was at Maysville last week and signed a contract with the Chamber of Commerce for the formation of this organization. Mr. Young immediately visited the public schools and made an inventory of the available material and starts work at once.

People throughout Brown county are familiar with the ability of these people in this line of work in which they have been specializing for several years past. Local musicians will tell you that Mr. Young has such ability that he can make such organization wherever he may be, even though the community be among the smallest. His organizations immediately come before the public producing music which is at once pleasing, and as they progress develop into bands which are second to none.

He and his wife have probably started more bands than any two people in this portion of the country, and some of the people they have been instrumental in inducing to take part have developed into performers of international reputation. "Several years since Mr. Young and wife located at Connersville, Indiana, and it is said, that there they built their largest and most complete organization of this kind. They have advanced rapidly in their work, reaching a place where their services are sought along this line.

Aside from this Mr. Young is a composer of ability. Many of his selections are played by musical organizations, and in arranging he can re-compose the most difficult selection that may be handled by performers in their earlier years, and as a musician he has few exceptions.

YOUNG FLAUGHER ALRIGHT

Mrs. Campbell Flaughter has received word from the government stating that no report has been received of the death of her son, Private Archie Flaughter. This word was received at the Flaughter home at Aberdeen last week. From some source a report gained circulation that young Flaughter fell when in action and this caused the family to make direct inquiry of the war department. The family and friends are correspondingly happy over the latest word.

WILL ENFORCE DOG LAW

The following letter from Commissioner of Agriculture Mat S. Cohen to County Clerk J. J. Owens, will explain itself:

County Clerk J. J. Owens, Dear Sir: Replying to yours of November 30, in which you ask in case a man should come to the office between the 5th and 10th of January and ask to have license issued him for his dog or dogs whether or not you should issue or refuse to do so by closing your books as required by the act of January 1, beg to advise that the law states specifically and emphatically that all dogs must be licensed on or before January 1, 1919, and after that date should any owner who has listed his dog, or who owns a dog asks to have same licensed, you should immediately swear a warrant for him for the violation of this act, or else notify the Sheriff with a written notice to the effect in order that the Sheriff may proceed to carry out the provision of this act.

I say to you frankly this law is put on the statute books to be enforced, and you may say to your people that it is going to be enforced regardless of who the violator may be.

If the department can serve you further in this or any other matter only command believe me. Yours very truly,

MAT S. COHEN,

Commissioner of Agriculture.

TO THE PUBLIC

As the money collected on dogs, goes now to the sheep fund (the old law being repealed) it is very important that, every one owning dogs please call at the County Clerk's office and take out license on same. Should you know of any persons having dogs, upon which no license has been paid, and you wish to collect something for the sheep that have been killed, it is your duty as a citizen to report the same to the Sheriff, for if these license are not collected, there will be no fund from which sheep claims are to be paid.

J. J. OWENS, Clerk.

UNCEASING MISERY

Some Maysville Kidney Sufferers Get Little Rest or Comfort.

There is little sleep, little rest, little peace for many a sufferer from kidney trouble. Life is one continual round of pain. You can't rest at night when there's kidney backache. You suffer twinges and "stabs" of pain, annoying urinary disorders, lameness and nervousness. You can't be comfortable at work with darting pains and blinding dizzy spells. Neglect these ailments and serious troubles may follow. Begin Dosing Doan's Kidney Pills at the first sign of disorder. Thousands have testified to their merit.

Proof in Maysville testimony. John J. Bramel, bookkeeper, Walnut Street, says: "Doan's Kidney Pills have been of great benefit to me and in fact, I attribute fourteen years of my life to them. It was in 1902 that I was suffering a great deal. After long use of Doan's Kidney Pills, I became well and had no bad effects for many years. Recently however, I noticed my kidneys were not acting right and my system was generally weak. I knew it was a return of the trouble and I didn't lose any time in getting a box of Doan's Kidney Pills at Chansler's Drug Store. They again gave me the same good results and I consider them a wonderful medicine."

Mr. Bramel is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mr. Bramel had—the remedy backed by home testimony. 60c all stores. DOLLAR AND A HEART IS ALL THAT IS NEEDED

In Big Red Cross Roll Call Which Opens Monday—Every Masonian Expected to Join.

"Join! all you need is a heart and a dollar."

Residents of Mason county next week are to be confronted at every turn with this Red Cross Christmas Roll Call membership slogan.

Go into a restaurant, and you'll find the message on a neat little sticker, attached to the menu card. Buy a magazine at a newsstand, and you'll probably find the "Join" slogan attached to the cover page or carried inside in an attractive advertisement donated to the Red Cross.

At the theater you will meet the slogan again—this time attached to the program or flashed upon the screen. Many of your letters will reach you carrying this timely "urge," and perhaps you'll find it pasted on a telegram. Very likely your Christmas parcels will be sent home from the stores similarly labeled.

Thousands of these little stickers will appear in Mason county to supplement the work of newspaper advertisements, posters, billboards, "red card" cards driving home the "join" message.

The Red Cross has used every possible means to get the "Join" idea across in the Lake Division states of Indiana and Kentucky.

The goal of the Red Cross Christmas Roll Call in this and every community is "universal membership," and "universal membership" means everybody enrolled by December 23.

President Wilson says: "Peace does not mean that we can fold our hands. It means further sacrifice. Our membership must hold together and be increased for the great tasks to come." From President Wilson's Red Cross Christmas Roll Call message.

BURIAL HERE

TONIGHT

COLORED PEOPLE TO BE ORGANIZED FOR WAR WORK

Meeting of Colored Citizens of Mason County Sunday to Organize That They May Know Part They Have Played.

The county committee on War Work among the colored people have from time to time deferred meeting due to conditions in this community, caused by influenza epidemic which prevented public meetings being held.

At a meeting of the general committee of the auxiliary of the Kentucky Council of Defense, held in Louisville at the Board of Trade building on September 28th. Among other important business transacted was the appointing of County War Work Committees for the state. The following persons were appointed for War Work among colored persons in Mason county: Mr. E. W. Chambers, Chairman; Prof. Robert Davis, Lewis, Robert Jackson, Mr. Adward Lewis, Dr. W. C. Patton, Mr. William M. Taylor, Mr. John Yates, Mr. Jack Storey, Mr. J. H. Bradford, Mr. Henry J. Fields, Mr. J. H. Hicks, Mr. Harrison Anderson, Mr. Henry Paynter, Mr. Jack Higgins, Mr. George Moore, E. W. Lane, William Humphreys.

The object of the meeting Sunday afternoon at 2 o'clock at Odd Fellows Hall is to thoroughly organize the War Work Committee that the colored people in the future may co-operate with all war activities in this community, that they may have at hand a clear concise history of all their known efforts put forth from the beginning to the final conclusion of the war.

Each and every member should attend the meeting with a spirit that will give the work the best that is in them and be big, brave men ready for a man's job, that towers above little things, that our country may perfect an organization that will compare favorably in results with our more fortunate brethren and race members in other parts of Kentucky, where the colored people have something like two millions of dollars to their credit for all war activities.

This meeting will so shape its work as to have committees on Conservation of Food, a committee on every unit of the Red Cross, on Employment and Labor, a committee affecting agriculture. A good committee on educational work among the race.

When this organization is completed it will become an auxiliary of the County Council of Defense, hence it is the duty of thinking and representative colored men and women of the county to help in its organization, that they may fully cooperate with their County Council of Defense in their work with the Federal Food Administration, the Federal Fuel Administration, the Liberty Loan Committee, the War Savings Committee, the United States Public Service Reserve Committee, the United States Employment Service and the several well recognized war charities. There doubtless will be later a big mass meeting when all will be explained. There will be something for all willing, outstretched hands to do. With a united effort as a Liberty loving people in all laudable undertakings you will witness a mighty force to leap into action.

MASONIC NOTICE

Maysville Chapter No. 9 R. A. M. will meet in regular monthly session Monday evening at 7 o'clock. An invitation is extended to visiting companions to attend this meeting.

MAYSVILLE SHOULD MAKE LIBERAL CONTRIBUTIONS

Maysville is one of the cities along the Ohio which have not made a contribution to the expenses of the Ohio Valley Improvement Association. Maysville has reaped many benefits from this organization and we should lend them our financial support. There should be a liberal contribution made here for the furtherance of the work of the association.

BISHOP APPEALS FOR RED CROSS

Bishop Ferdinand Brossart, of the Covington Catholic diocese, has issued a letter appealing to the clergy and people to support the Red Cross. "Now that the world war is over and peace, let us hope, reigns, once more in a sorely tried world, a final call comes in the form of an appeal for mercy. We must not fail to heed the call."

TOBACCO MARKET

Hopkinsville, Ky., December 14—Yesterday's offerings of loose tobacco showed some effects of the rainy weather now prevailing, though not enough to affect prices, yet the buyers have already sounded a warning to the farmers to not deliver their tobacco which is too wet if they expect top prices for it. Prices ranged from \$10 to \$23.50, being fully up to previous quotations, according to grade. Offerings were 75,000 pounds, with nothing showing above medium quality.

Huntington, W. Va., December 14—Sales on the Huntington market yesterday amounted to 70,000 lbs., considerably under Wednesday's and Thursday's offerings. A few of Friday's offerings sold for as much as 60c, but the bulk of the crop averaged approximately 30c, with a range from 10c to 60c. Nearly 250,000 lbs. were disposed of during the first three days—a new record for the Huntington breaks. Indications point to a big run next week.

Lexington, Ky., December 14—Two sets of buyers were on the floors of the Lexington tobacco market yesterday. Their purchases amounted to 575,560 lbs., at an average of \$29.95, the highest of the season. The sales at Growers', 308,000 lbs., averaged \$30.10 per 100 lbs.; Shelburne Warehouse No. 2, sales amounted to 158,555 lbs., at an average of \$30.15. Planters' sales amounted to 60,450 lbs., at an average of \$30.02; Peoples' sales amounted to 48,555 lbs., at an average of \$29.52.

Paris, Ky., December 14—The Paris tobacco market yesterday was strong on good tobacco, but from \$2 to \$5 off on low grades. Bidding was spirited on everything of quality, and cigarette types were in demand. The Bourbon House disposed of 21,620 lbs. for an average of \$30.11. At the Independent House a total of 68,775 lbs. was sold for a total of \$19,394.46, a floor average of \$28.20. Considerable frosted tobacco was offered, which cut the floor average for the day.
